Dear Mr. Hedberg:

Reference is made to your letter of November 15, 1991, authorizing closure of our Evaporation Pond #3, subject to approval of the Department of Air Quality. Approval from the DEQ was recieved via letter dated November 6, 1991. Copies of both letters are attached.

The pond ~~was~~ closed and the surface contoured in April of 1992, following procedures outlined in my letter of September 20, 1991. Seeding of the surface will be done in the Fall of this year.
